DALLAS, OR

EVERY MONTH

SECOND TUESDAY AT 6PM

AND

THIRD SUNDAY AT 2PM

Navigating the OMMP can be hard—let us help. We are a non-profit organization that focuses on reaching health through the use of cannabis. We meet twice a month to share a meal and discuss trials, tribulations and triumphs the group has experienced, as well as to learn more about the plant we rely on to maintain optimal health. Please join us if you want to learn more.
